## About Me

Hi, my name is Derek Halloran. I pride myself on efficiency and teamwork. I offer a job well done and more while making the design process smooth, exciting, and fun. What I want is to tackle bigger challenges every day, pushing my craft further so that I can become the best possible designer that I can possibly be.

## Education

UX Design Program (Expected 2021)  
CareerFoundry - Online | [View Course Project](#)

BFA in Graphic & Media Design (2020)  
The Sage Colleges - Albany, NY

AAS in Media Arts (2018)  
SUNY Adirondack - Queensbury, NY

## Experience

2021 - Present  
Graphic Designer  
Protective Industrial Products - Latham, NY  
Design distributor flyers, product sheets, and graphics for company social media pages. Proof logos on protective clothing and upload product images to web server.

2020 - 2021  
Design Support Associate  
Sheetlabels.com - Queensbury, NY  
Create print proofs for customers, adjust their artwork, and assist with technical design support. In addition, offer suggestions to improve print quality and overall appeal.
